

WHAT YOU NEED TO KNOW ABOUT SMART METERS!

The new Gas, Electricity and Water meters are causing:
DAMAGED HEALTH & HIGHER BILLS

Your utility provider(s) will request access to your home to install one or more Smart Meters.

In California over 2,000 complaints within two months were received in relation to debilitating health effects and much higher bills. The same reports came from 'Smart' homes in Canada.

**NOT
HEALTHY**

**NOT
CHEAPER**

**NOT
SAFER**

Smart Meters transmit intense bursts of microwave radiation in your home 24 hours a day.

Actual symptoms reported from exposure to 'Smart' Meters include:
Insomnia, Headaches, Palpitations, Seizures, Fatigue, Allergies, Nausea, Vomiting, Tinnitus, Memory & Concentration Impairment.

You have the Right to refuse a Smart Meter.
